# INFORMATION & ADVICE

## HOW TO SPA

Arrive early allowing time for preparation and changing – your therapist will talk you through your treatments before they begin. Disposable underwear is provided as some mud treatments can stain swimwear and underwear. Gowns and slippers are provided and lockers are available in The Hydrotherapy Spa. On completion of certain treatments we offer the peace and tranquillity of our Relaxation Room, alternatively relax in our Coffee Lounge upstairs.

## APPOINTMENTS

To avoid disappointment it is advisable to advance book at The Spa Reception for all services. Arriving early for your appointment helps us prepare you for your treatment, you may even have time for a drink! Treatments that start late due to arrival time of the client will finish on time especially if another client is due.

## CANCELLATIONS

In the event of you being unable to make an appointment please give us at least 24 hours notice, otherwise a 25% cancellation fee will be charged.
